

Gdańsk, 29.08.2024

Dear Sirs,

we kindly inform You that:

I.

In accordance with the requirements of **Regulation (EC) No. 1907/2006** of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), **TSTRONIC as a downstream user requires:**

a. **REACH compliance of the supplied components/materials (including the SVHC Candidate List, Annex XIV and Annex XVII).**

If the supplied component/material contains a substance from the SVHC Candidate List (list available on page <http://echa.europa.eu/web/guest/candidate-list-table>) in a concentration above 0.1% of the weight of the article, TSTRONIC should be immediately informed with the name of the substance and its % content in the supplied component/material.

b. **Compliance with Article 31 of the REACH Regulation on Material Safety Data Sheets (MSDS) provided by all suppliers.**

The provisions concern, among others:

- The obligation to provide and inform the recipient about the update of the Safety Data Sheet of a substance/mixture, and the update also includes the obligation to adapt the Safety Data Sheets to the current requirements resulting from the Regulation.
- The Safety Data Sheet should be in the official language of the country where the substance or mixture is placed on the market, in our case in Polish.

II.

Directive **2017/2102/EU** of the European Parliament and of the Council of 15th November 2017 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, **TSTRONIC as a downstream user requires:**

- a. RoHS compliance of the supplied components/materials, and upon request of TSTRONIC, send a declaration of compliance with the requirements of the RoHS Directive. In the event that the component/material supplied is not RoHS compliant, please inform TSTRONIC immediately.
- b. The declaration of conformity should cover the materials from which the products are made as well as the materials used in the technological process (supporting materials).
- c. If possible, the supplier should indicate on the packaging (in each delivery to TSTRONIC) that the product is RoHS compliant.

Yours Sincerely,

CEO
